Opus™
modular casegoods

Steelcase
HEALTH

Hosting Patients and Families

Opus™ modular casegoods define personal space and enhance the care experience. Open shelves keep personal belongings in sight. A mounting surface for technology and whiteboard options

encourages information sharing and learning. Lighting elements let clinicians and patients customize their surroundings.

IM#: 09-0101925 | SM: OPUS (CABINETS AND SHELVES, SUGARLOAF MAPLE), CURA (HIGH-BACK, FOUR-LEG BASE CHAIR)

Maximum Flexibility

Opus combines the benefits of traditional freestanding casegoods with the flexibility of modular furniture. Components configure in multiple ways to create a consistent aesthetic across patient and exam rooms, consultation spaces and other settings – and to adapt as needs change over time.

Easy Access, Out of Sight

Technology routing behind the cabinets allows for easy wiring and access, keeping cords safely hidden.
