MARIEN152
SEATING COLLECTION

Coalesse Design Group + Arik Levy

coalesse®

Chair of choice.

Marien152 is a richly tailored seating experience that's inspired by the home and designed for the workday. An innovative back cushion provides unexpected support with soft, residential style. Easy personalization is built into the collection through a wide range of color, form and materiality choices.

——— The collection anchors many applications through the workday, from conference chairs to delightful guest and social seating.

——— Mix and match. Beautifully crafted and effortlessly personal, you can create each chair with a mix of upholstery, color, material and base options.

Product Features

A Back cushion has appearance of a soft pillow while built-in flex allows cushion to move with the user
