

Walden

Simple. Clean. Value.

Walden offers contemporary styling interpreted in a simple aesthetic with great design.

Walden®

Aesthetics

- Simple contemporary styling enables a range of aesthetic
- Available with wood tops and cases or with laminate tops and wood cases
- Two edge profile options and three pull options available in Black or Platinum
- 72" tall storage provides appropriate scale for private offices
- A variety of finish choices on four veneers: maple, cherry, walnut and oak

Performance

- Units ship fully assembled and product design supports reconfiguration
- Box and file drawers use full extension slides for smooth, quiet operation
- Polypropylene drawer with mitered joinery exceeds ANSI/BIFMA standards and contains no PVC
- Grommets and flip-up power units available
- Back panels can be optioned off for wall outlet access and price tuning
- Steelcase Lifetime Warranty

Planning

- Supports large and small scale private office applications, shared private offices and basic open plan freestanding
- Six-inch module makes it easy to plan
- Available leg supported tops and floating modesty panel create light scale applications
- Variety of closed or open storage configurations support multiple workstyles

Environmental

- Certain models available as a Cradle to Cradle^{CM} certified product
- With the water-borne ClarityTM wood finish, Walden is SCS Indoor AdvantageTM certified for indoor air quality and can contribute to LEED point 4.5
- Manufactured in the world's first LEED-certified manufacturing facility
