## MEET THE NEEDS OF TODAY'S WORKER.

How we work has changed dramatically in the last decade – and that will only continue. Today's workplace needs a range of applications that support the different types of workers and work being done. From individuals to groups, focused to collaborative work, Kick® offers a range of applications to meet these challenges today, and the choices to adapt to the needs of tomorrow.

## SIMPLE DESIGN. MORE CHOICE.

Kick was designed to seamlessly integrate and complement a variety of other Steelcase products. Its simple design allows you to design a variety of spaces that blend together, both aesthetically and functionally.
