

Installation Instructions

Details "Pelican" Pencil Drawer

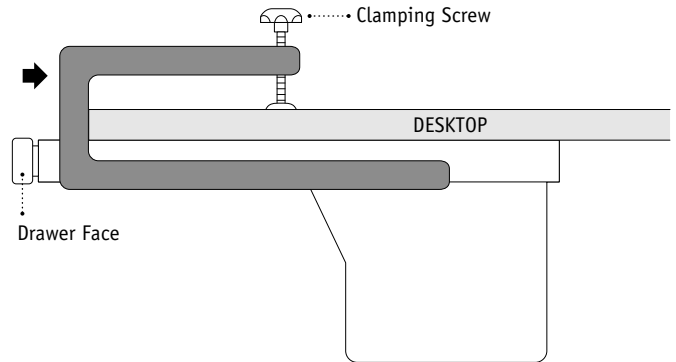

WDPD-L
WDPD-NL

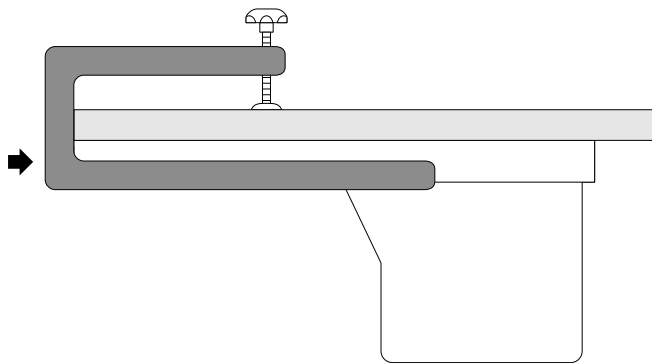

- 1** Slide installation clamp onto drawer from rear. Do not unlock drawer or extend suspension rails.

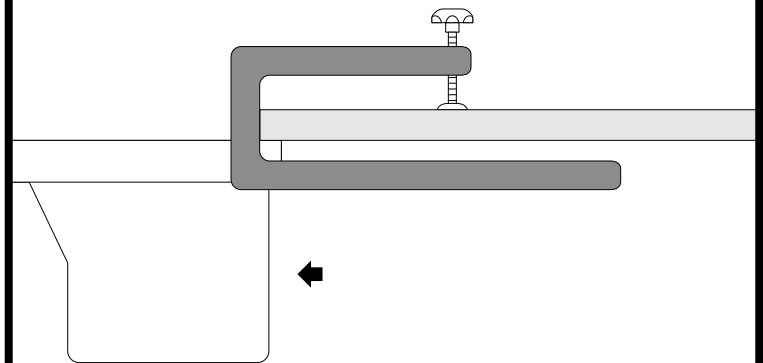

- 2** Slide installation clamp bearing drawer over desktop until edge of clamp touches edge of desktop. Tighten clamping screw until suspension rails touch underside of top. Do not tighten.

- 3** Press on drawer face to position drawer unit flush with edge of desk top. Tighten clamping screw firmly.

- 4** Unlock and open and close drawer to check for smooth operation. Extend drawer fully. Drill 1/8" (3mm) pilot holes and insert screws. Be careful to insert screws straight and use a long drill and driver bits. When finished, remove installation clamp.

For a better day at work.™
