## Endless options.

The durable Enea collection boasts a simple, yet elegant design. Its beautiful aesthetic, combined with the extensive line of multi-height tables, chairs and stools, make the Enea collection the solution for many hospitality, learning, café and corporate environments. It can be easily integrated within any space.

———— The Enea collection is as well-engineered as it is beautiful. It is casual furniture for touchdown meeting spaces and cafés.

———— The Enea seating collection offers a broad statement of line. Stackers and barstools come in arm and armless versions, and the counter stools and barstools can be specified with a back option and footrest.
