CONSIDERATIONS

MAXIMIZE REAL ESTATE

Provide a range of settings that supports a variety of workstyles

ENHANCE COLLABORATION

Create spaces designed to support both physical and virtual collaboration.

INCREASE ENGAGEMENT & PRODUCTIVITY

Provide choice and control over where and how people work.

Maximize Real Estate + Enhance Collaboration + Increase Engagement & Productivity =

The Resilient Workplace

Is an *ecosystem* of space designed to adapt and evolve over time, optimizing real estate while fostering higher levels of employee engagement.

The Resilient Workplace

ECOSYSTEM OF SPACES

DESIGNING FOR WELLBEING

POSTURE

PRESENCE

PRIVACY

PHYSICAL

COGNITIVE

EMOTIONAL

BE HEALTHIER.THINK BETTER.FEEL BETTER.

The five spatial zones

SOCIAL

A comfortable area to socialize, rejuvenate, collaborate informally, and seek nourishment.

RESOURCE

A convenient location that offers work tools and shared materials..

MEETING

A variety of settings to support different forms of collaboration.

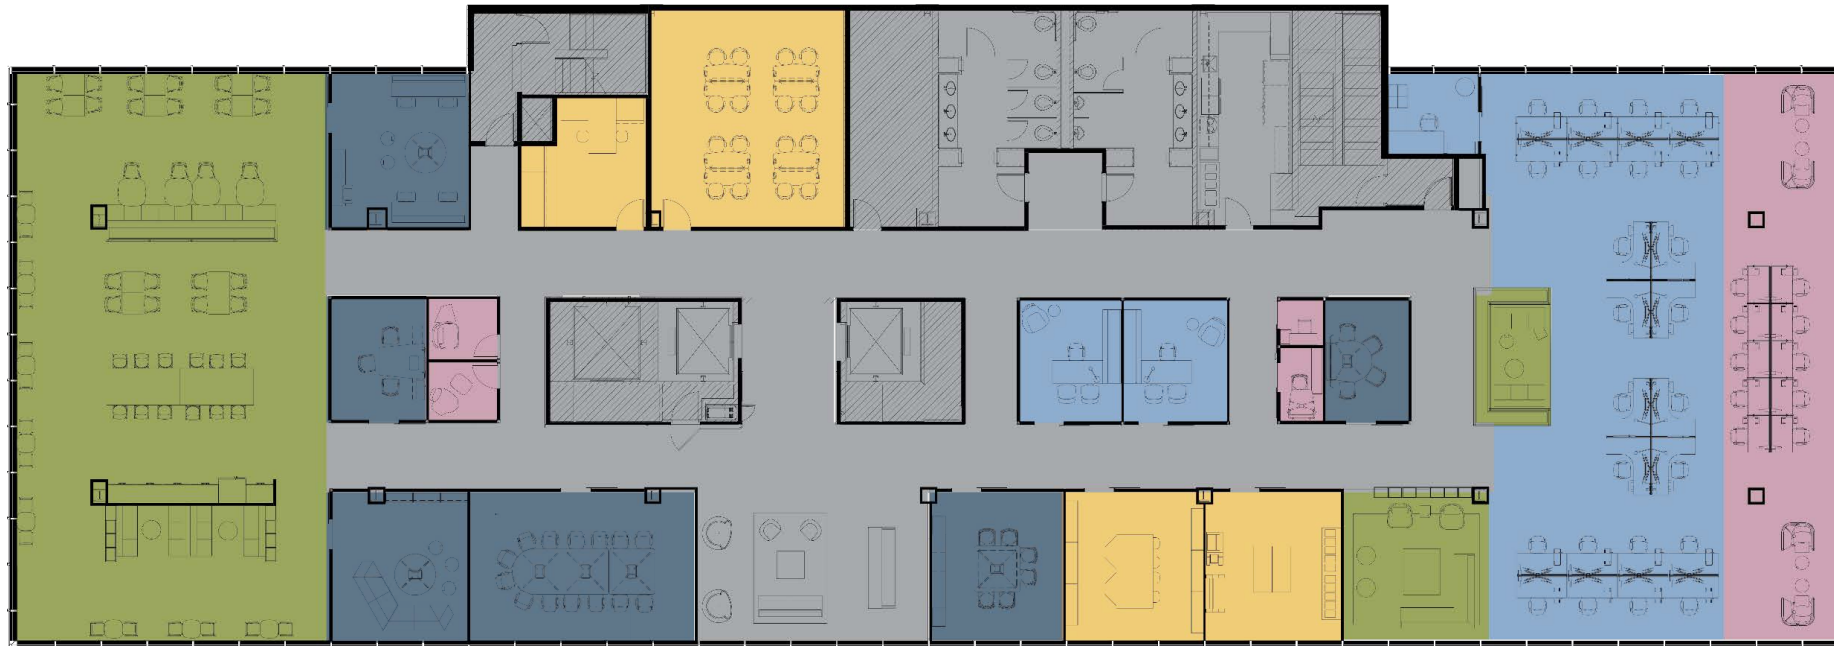

RESIDENT

Assigned spaces for workers to complete everyday tasks.

NOMADIC

A welcoming destination for mobile workers to connect or focus.
