

IM#: 11-0002976 | SM: media:scape mini in Near Metallic Black

REDEFINING SMALL MEETING SPACES.

Meet media:scape® mini, a new member of the media:scape family that extends the media:scape experience into small and existing spaces. media:scape mini can be placed on top of virtually any surface to transform the space into a high performing collaborative environment.

80%

of organizations feel that they need to collaborate more.

IBM 2010 HR Study

media:scape mini

- Bring the media:scape experience to small enclaves, private office, open plan team spaces, by simply placing media:scape mini on virtually any surface.
- With the 4 PUCKs in the media well, everyone at the table has equal access to share critical information.
- Optimized for small teams of 2–4 to collaborate without interruption, media:scape mini is always available. No cables to pass, remotes to lose, or software to install.
- Plug media:scape mini into a standard 3 prong outlet to bring power to the monitor and the 4 power outlets inside the media well.
