

I M P A C T™

Bring work environments to life with the natural warmth of wood.

Whether you're furnishing one office or an entire building, choose from a broad range of designs that span from crisp and modern to timeless and traditional.

Whatever you select will seamlessly blend our heritage of fine craftsmanship with today's technology.

If you have something unique in mind, we can help.

Steelcase specializes in innovative, custom-tailored solutions delivered with personal attention.

With our strong wood tradition, commitment to the environment, and deep understanding of how people work, we strive to help you create inspiring, high-performance work spaces.

IMPACT™

Impact is a flexible, distinctive casegoods system that offers an exceptional combination of functionality and refined design.

Storage components in a wide variety of sizes and surface materials combine with graceful "floating" worksurfaces to give the entire system a light-scale, elegant feel.

Wire management is thoughtfully integrated into the design for discreet, easy access to technology solutions.

Impact brings a high-design focus to any work environment without compromising high-tech convenience.
