

Classic Rectangular™ Keyboard Platform.

Designed for the shape of things to come.
And for the shape of things that are.

9981000-20

Trimmer

Delivers superior stability in a design that parallels the thin profile of the Stella Mechanism.

It's ideal for intensive computer users or multi-user workstation situations.

9981000-20

Flexibility

Quick-Connect™ instantly adapts to changing needs via easy tool-free swap-out of one style of Platform for another. Furthermore, the Platform accommodates a variety of alternative-style keyboards including the Microsoft® Natural.
