

Jules™ Keyboard Platform.

Mousing surface glides from side to side to satisfy righties, lefties, and the occasional oddball who simply likes things that glide smoothly in a nifty track.

05-0002045

Cable management system locks and/or guides cables for mouse and keyboard.

05-0002470

Mousing surface is injection molded ABS and specially curved to enhance correct ergonomic positioning; built-in ridge prevents "mouse droppings."

05-0002471
