

## **GVSU: Reimagining the Library Experience**

**Like every space on campus, the library now is being rethought and reorganized. See how Grand Valley State University and Steelcase applied the principles of active learning to completely re-imagine the library experience.**

Like every space on campus, the library now is being rethought and reorganized. See how Grand Valley State University and Steelcase applied the principles of active learning to completely re-imagine the library experience.

Steelcase researchers initiated a major study of libraries at private and public colleges and universities across the U.S. What they discovered were major shifts in how the library is being used and a many opportunities to better leverage space, new technologies, and pedagogies for a new generation of students.
