Steelcase

Expanding your ideas on seating value.

The Apt seating range **clearly demonstrates** the advantages of the Steelcase Stages Collection. Designed to grow in stages with your business, this portfolio of value driven products combines affordable cost with **high functionality, to create cost effective work environments** that support growing businesses and new ways of working. The three Apt task chairs and a guest chair provide **excellent comfort and support for individual users** engaged in task intensive work. Intuitive controls enable easy adjustment. A select range of fabrics and colors complements modern office designs. All at a price that represents outstanding seating value. That's Apt!

Good functionality intuitive control.

Apt-S and Apt-M offer good functionality for such an affordable task chair. The intuitive controls enable individual users to adjust the chair for personal comfort - and change it for different tasks throughout the day.

1 Variable back lock

Locks the back in four positions for support while sitting upright or relaxing.

4 Adjustable armrests

Armrests can be set at variable heights, and pivot in and out to support changing tasks. (option)

1 Synchro tilt

Provides balanced resistance as you lean back, for support as you recline.

5 Adjustable seat depth

The seat cushion slides to accommodate different leg lengths, to optimize support while seated. (option)

2 Upper back firmness

Adjusts the rate of pushback to support and balance the user's weight in different positions.

6 Adjustable seat height

Pneumatic height adjustment allows individuals to set a comfortable position with feet flat on the floor for good postural support.

3 Adjustable back height

Allows users to move the lumbar support to fit the natural curve of the lower back for good, day-long support. (Apt-S only)
