Planning Ideas

Creating beautiful places
that work, *your way.*

Steelcase®

When it comes to designing shared spaces it's important to think about how these spaces will support all five work modes:

Collaboration

Focus

Social

Rejuvenate

Learning

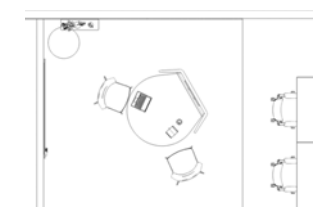

1 Shortcut Stool by Steelcase
 A fresh take on casual seating, Shortcut X Base's clean lines and modern aesthetic bring style and elegance to the home and office. Its generous seat and signature cutout boast surprising comfort and flexibility, blending style and uncompromising quality.

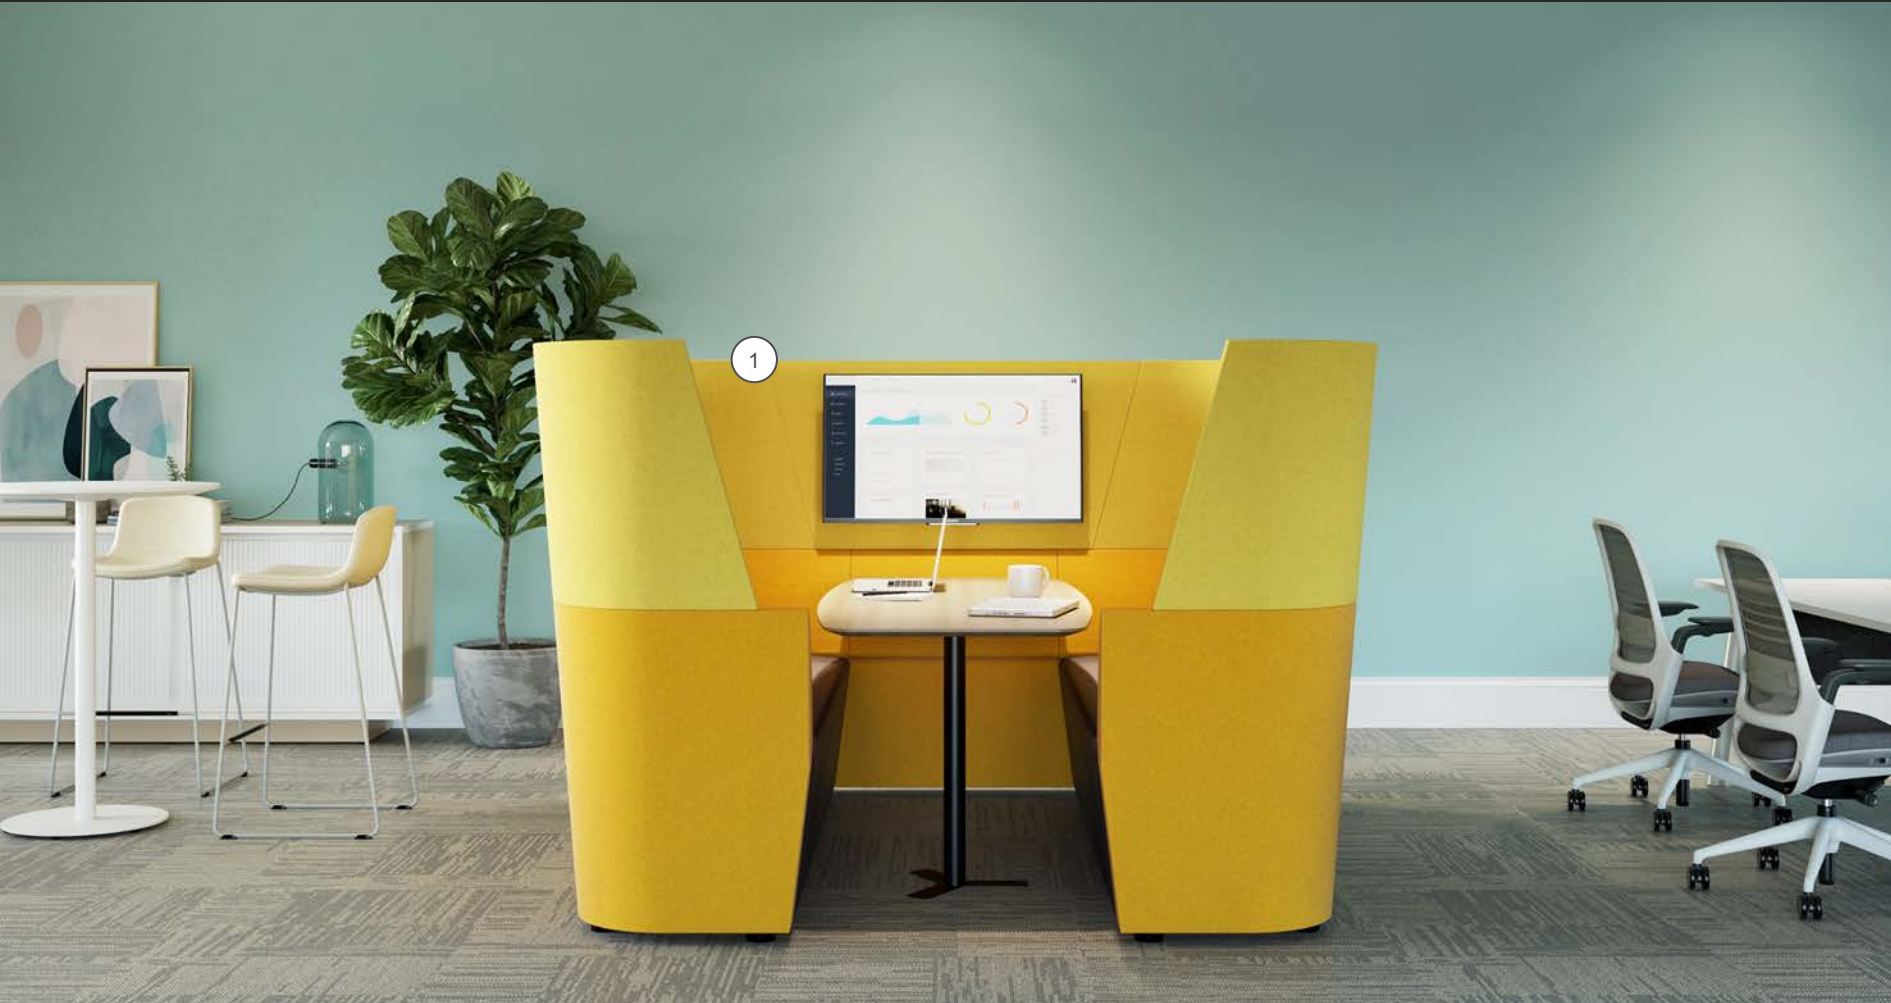

2 Away from the Desk Media Unit by Orangebox
 Away from the desk is a soft upholstery system which answers the needs of our rapidly changing workplace as we migrate away from the dominance of the personal desk. As part of the AFTD family, the Media Unit provides a flexible collaboration spot for team members to come together. Available in sit and standing height and various sizes.

Open Huddle

An open discussion setting with digital sharing support. Teams can gather around to have quick alignment without the hassle of booking a meeting room.

Plan Detail

1 Flex Screen by Steelcase

Create privacy or share your work. These lightweight, freestanding screens come in three shapes and sizes and connect with a magnetic edge allowing you to build and take apart, again and again.

2 Flex Cart by Steelcase

Designed to house markerboards, screens and accessories, Steelcase Flex Carts allow you to roll your work with you – anywhere, anytime - and display vertically or horizontally.

3 Bloom Stool by m.a.d

Designed with an upholstered seat and back with an exposed, molded plywood shell, Bloom Stool provides an elementary statement to the space.

4 B-Free High Table by Steelcase

The B-Free High Table creates an inviting, collaborative perch where people can connect, brainstorm, or touch down quickly, with a clean aesthetic and optional integrated power to support today's dynamic workstyles.

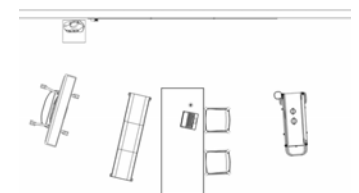

5 B-Free Beam by Steelcase

The B-Free Beam is a versatile perch-style bench that encourages movement and casual collaboration, offering dynamic posture support that energizes informal team spaces.

Active Workshop

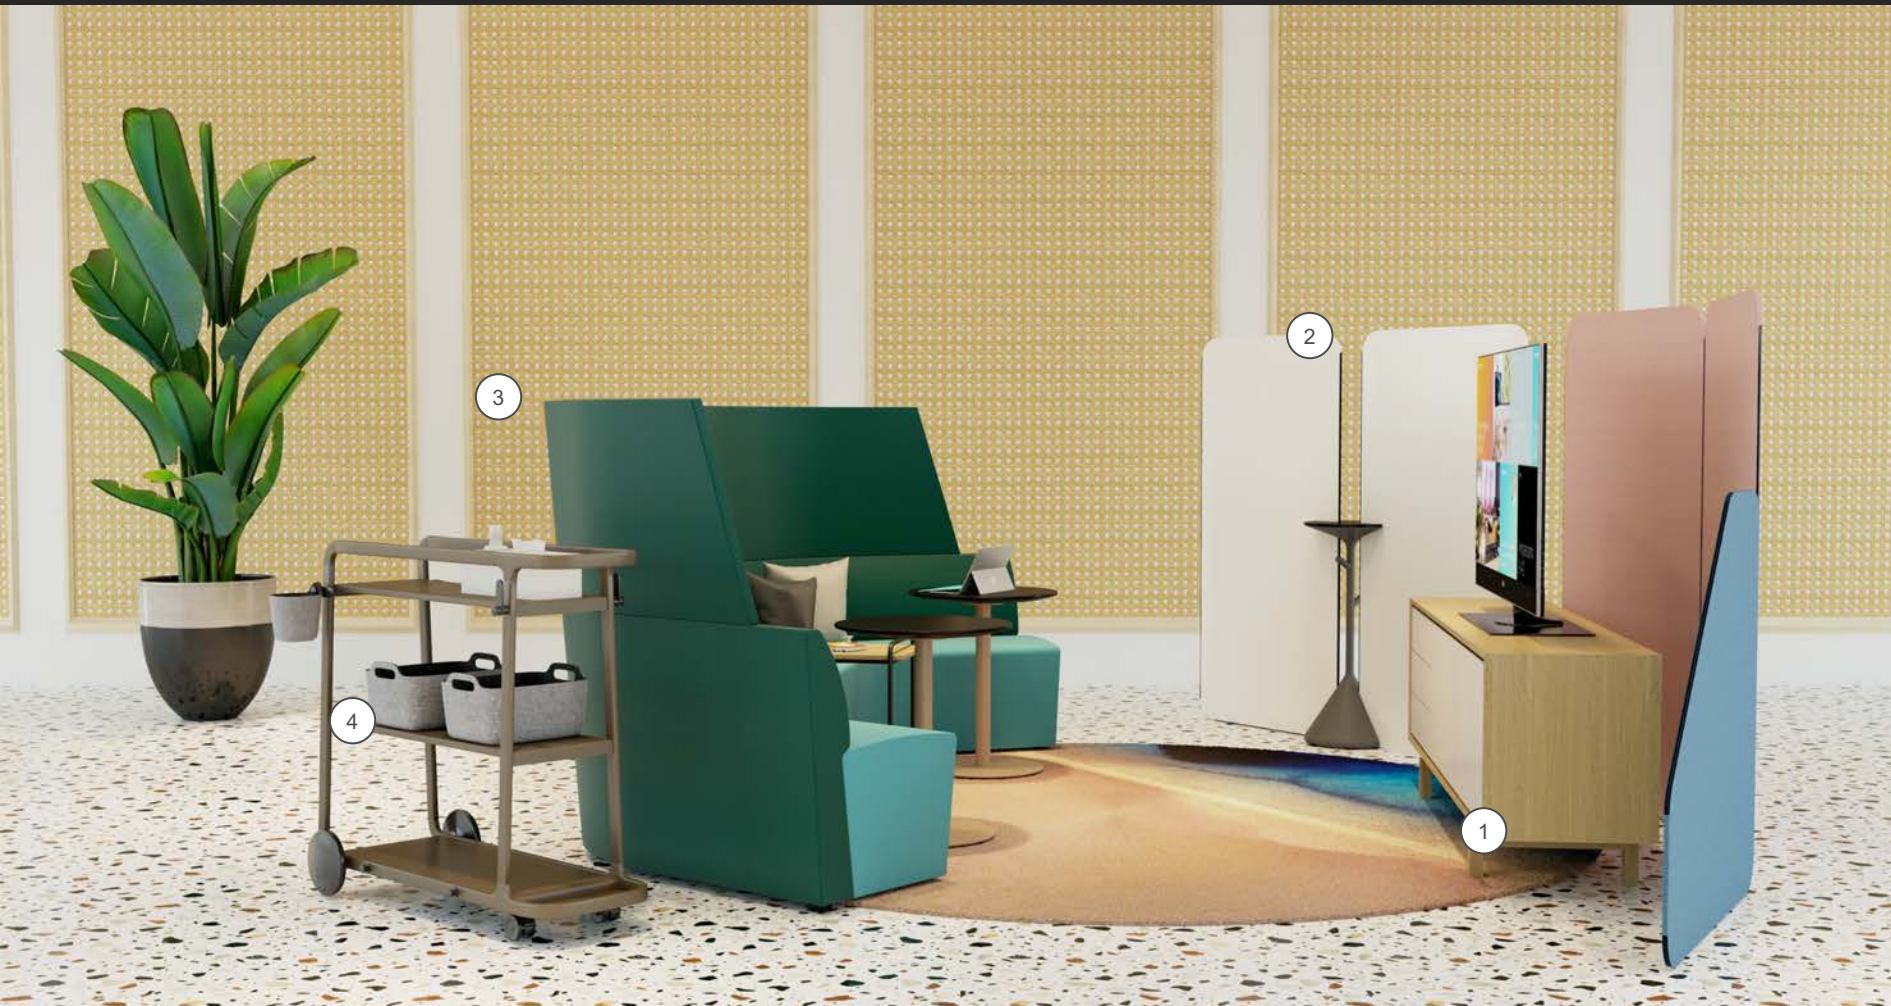

Team collaboration space in a high-sit positioning allows for active collaboration. Tools are available for digital and analogue sharing. Team resources and project charters can be displayed and accessed easily.

Plan Detail

1 Flow Sideboard by Bolia

The solid frame has an elegant appearance and emphasizes traditional craftsmanship and high quality. Works in a variety of work setting both for screen display and also as additional storage space.

2 Flex Stand & Screen by Steelcase

Flex Mobile Stand and Screen can be combined for a quick brainstorm session. Documents and materials can be pinned on the screen for display. Flex Stand and Screens also create a sense of boundary and privacy for open plans.

3 Away From the Desk by Orangebox

Dynamic and extensive upholstery system designed for the changing needs of the workplace. AFTD is suited for both personal and teamwork offering acoustic and visual privacy with its high back design.

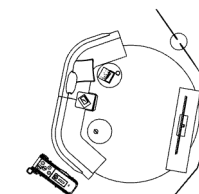

4 Flex Team Cart & Basket by Steelcase

The Flex Team Cart & Basket keeps essential tools, supplies, and shared resources organized and mobile, giving agile teams an easy way to reset, regroup, and collaborate anywhere in the workspace.

Open Huddle

A relaxed collaboration space provides lounge seating with adequate distancing for up to three people. Integrated worksurfaces, power and high-back screens allow users to meet in the open – with a sense of privacy and security, as well as the tools needed for effective collaboration.

Plan Detail

- 1 **On the QT by Orangebox**
 Connect in privacy, carry out focused work or simply think for a while, On the QT phone booths strive to strike the balance between efficient space and workable comfort.
- 2 **Turnstone Campfire Paper Table by Steelcase**
 When ideas hit, this is where they can grow. Paper Table's rotating top catalyzes brainstorming. Use a refillable stack of inspiration-ready paper or the marker-friendly erasable top.
- 3 **B-Free by Steelcase**
 The B-Free Collection is a full range of furniture including lounges, knit screens and occasional and standing-height tables aimed to design flexible settings and support collaboration.

Open Touchdown

Creating clusters of touch points in an open space supports social collaborations through ideation, digital sharing and workshops. The ability to swiftly move into a more private space for confidential calls or focus work is equally important.
