## **Destination.**

Social spaces are today's new workspaces. Working alone or together, people seek a lively place with energy and vibe. With 44 unique pieces, Lagunitas creates the ideal space for any work setting. The comprehensive seating and tables collection infuses comfort and well-being, power and storage, all into a single system.

**Space-defining.**

Working alone or in the company of others, a little privacy goes a long way. Lagunitas creates an intimate space within a public room. Tall panels, in mesh or fabric, keep conversations in and distractions out.

---

## Posture Perfect.

The articulating cushion toggles to support a range of work modes. Lean back for casual work. Lean forward for greater focus.

Seating and tables are equipped with built-in power to keep devices charged all day.

---

## **Social and Collaborative.**

Lagunitas welcomes creativity inside the office. As people choose how and where work happens, companies are embracing space as an extension of their culture. From configuration to materiality, the flexibility of Lagunitas is the freedom to be expressive.

## **Personal.**

Open and private. Big and small. Lagunitas brings modern versatility to the modern workday. Built-in power, carved-out storage, and custom configurations all fit for long stretches of space or extended periods of focus.
