media:scape shroud

The media:scape® shroud creates a refined integrated look that provides an intentional aesthetic for flat panel displays. The shroud offers an affordable, flexible, and elegant solution to surround flat panel displays, conceal the hardware and cables, and support equipment for HD videoconferencing applications.

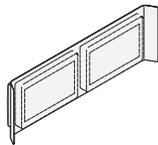

STATEMENT OF LINE

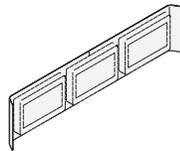

Single Monitor
32", 42", 46", 55", 65"

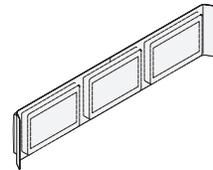

Dual Monitor
32", 42", 46", 55", 65"

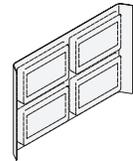

Dual Monitor with
CODEC Case
42", 46"

Triple Monitor
32", 42", 46", 55", 65"

Triple Monitor with
CODEC Case
42", 46"

Quad Monitor
32", 42"

Performance:

Flat panel displays mount to media:scape wall-mounted shrouds, concealing unsightly brackets and cables. Lateral applications support a range from single 32" displays to triple 65" display monitors. Stacked quad applications are also supported for 32" and 42" flat panel displays.

Application Ideas:

The media:scape shroud is the ideal solution for the following environments:

- Lobbies
- Restaurants
- Hallways
- Conference Rooms
- Waiting Rooms
- Airports

Includes:

- Painted aluminum shroud
- Brackets to mount flat panel displays to the shroud

Notes:

- Fasteners to mount shroud to the wall are not included. Please consult your building architect to determine the mounting specifications.
- A CODEC case is available on dual and triple 42" and 46" shrouds.
- Camera ledge (MTHS) is specified separately.

Finishes:

Arctic White Gloss, Midnight Metallic, Near Black Metallic, Platinum Metallic
