

# Vale

An extensive contemporary  
sofa system

orangebox

## Product Description

The Vale Sofa system is a collection of contemporary modular units, which can be combined to create dynamic layouts suitable for busy work, public or hospitality spaces.

Vale is available as a generous armchair, as a two, three or four-seat sofa, and as a more expansive combination of linking units.

Vale's visual character comes from its slim seat cushion, which discreetly tucks underneath the arm to create an understated yet elegant design signature. Vale has been meticulously designed so that adjacent units share a central leg when linked together, creating a simple, clean and uncluttered impression.

Vale also has its own range of tables. These are available in three sizes, with two top types offered in a variety of melamine and real wood veneer finishes.

Vale is manufactured from a combination of FSC® plywood and FSC® solid beech, with a webbed seat, and a back upholstered in high-density CMHR foam, for a comfortable and durable sit. Vale's slender, die-cast aluminium leg has a bright polish finish as standard. Height adjustable non-marking glides are fitted as standard, and are suitable for all floor types.

**Top** – VALE-01 - 05, 07 & CT01, **Bottom** – VALE Group

Product Range

VALE-01

Single seater unit with right arm

H770 [H30]  
W1020 [W40] D840 [D33]
