"Steelcase Patricia Kammer"

“I think the most important thing is to make sure you are listening to the customer. You have to understand what they need and what they want. And then you have to make sure you are providing that to them.”

DAVID WOOLF | General Manager of Steelcase Integrated Technologies

Steelcase is a leading provider of office furniture and technology solutions. We are committed to creating a better way to work for our customers.

Our 14-year history of innovation and leadership in the industry has led to our success. We have a track record of providing exceptional customer service and high-quality products.

Our commitment to innovation and leadership is what sets us apart. We are constantly looking for new ways to improve our products and services. We are proud to be a part of the Steelcase family.
