As its name implies, Wrapp is function and form in its purest sense. Innovation and tradition come together in this armchair, which invites you to sit back and relax. Comfortable and functional, Wrapp's backrest is as elegant as it is enveloping. Like a good host, it welcomes and takes care of the guest in all kinds of landscapes

such as hospitality interiors, collaborative spaces or meeting rooms. Wrapp, created by Marc Krusin in 2005, has an embracing design of perfectly balanced proportions, resulting in a unique and sensual shape.
