SOTO II State Of The Office Organization

SOTO II worktools are designed to help mobile workers to get set-up, organized and productive quickly and efficiently. They help to define a space to create a sense of ownership, quick personalization and organization of space, and provide easy access to personal devices.

SOTO LED TASK LIGHTS Energy-efficient, illuminating performance

Form flatters function with the elegant contemporary design of these space and energy-efficient SOTO LED task lights. Available in Freestanding and C-clamp models, their illuminating performance provides a brilliant pool of light for focused work wherever it is required.

1+1 Maximum organization with minimum effort

1+1 worktools help to simplify organizing, storing and using personal and shared information, worktools and other frequently used items. They easily accommodate the growing diversity of objects being stored, individual organizational preferences, and encourage visual and dynamic access to information.

DIVISIO Personalize your workspace in moments

Movable sidescreen let's you instantly personalize your space and privacy, while enabling collaboration with colleagues. Its magnetic surface helps to make work and personal items visible.

DETAILS

Quick organization of the smallest details

Details hanging worktools provide the answers on how to organize the myriad small tools and documents that you can never find when you need them. Designed to make great use of space, they take documents and tools off the worksurface, making them visible and putting them within easy reach.

MOBILE ELEMENTS

Supporting dynamic collaboration

Designed to make collaboration a dynamic experience, the Mobile Elements family of mobile multipurpose tools enables the creation of diverse settings to support different collaboration needs, from small team meetings, to presentations, to training sessions.

AP MONITOR ARM AND CPU HOLDER

Monitor your use of space

AP Monitor Arms and CPU Holders help keep the worksurface clear, providing more useable space, while supporting a comfortable working position. They enable individuals to customize their position and way they work, yet change in a moment to share with colleagues. Available in 1, 2 and 4 monitor configurations, with grommet, desk clamp, wall and slatwall mounts.

Slatwall mount

Lexicon panel mount

Grommet mount

Base Plate

Wall mount

Desk Clamp

CPU holder

COALESSE FREE STAND*

Great for solo work. Excellent for collaborating

Foldable, height-adjustable, and lightweight, Free Stand table snaps into position. The generous work surface rotates to fit the style of the user. The built-in handle makes it easy to carry.

* Coming Summer 2013
