

## Product Description

Verb tables are specifically designed to support different learning modes and encourage easy shifts between lecture, discussion, and project work. Unique shapes promote interaction, while a variety of sizes allow Verb to work in any classroom.

The rectangle shape tables can be used for more traditional applications as well as when smaller table sizes are necessary because the rectangle tables are available in smaller widths as well as the larger sizes.

## Material Declaration

Metal			Plastic			Others		
	kg	%		kg	%		kg	%
Steel	15.65	47.5%	ABS	0.50	1.5%	Particle Board	15.30	46.5%
			PA6	0.72	2.2%			
			PC	0.75	2.3%			

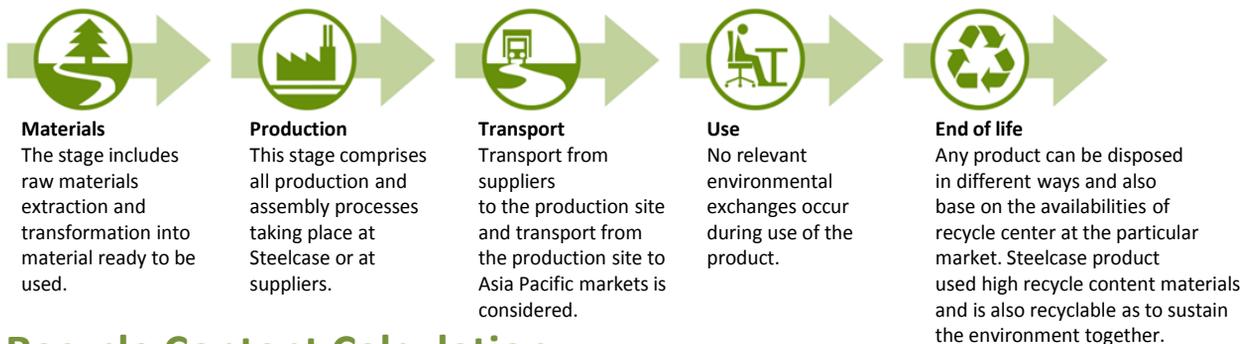

## Manufacturing Information

The selected product **Verb - rectangular table** is manufactured in Steelcase Manufacturing Dongguan in Dongguan (China)

Steelcase, which was founded in 1912, has been dedicated to creating innovative products and helping people work more effectively for almost a century. #### Disclaimer :

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document may be subject to review and update from time to time without notice.
