

Product Environmental Profile – Club™

This information applies to Club Grande Bariatric

- Product Category — Lounge Seating
- Certifications — SCS Indoor Advantage™ certified in North America
- LEED Contribution — Regional Materials
— Low Emitting Materials
- Environmental Facts — Up to 29% recyclable
— Up to 5% recycled content

Recycled Content Summary

Model	Total Weight (lbs)	Recycled Content (lbs and %)		Post-Consumer (lbs and %)		Pre-Consumer (lbs and %)		Recyclability (lbs and %)	
289B-40	72	3.8	5%	0.4	1%	3.4	5%	21	29%
289B-30	67.5	3.3	5%	0.4	1%	2.9	4%	19	28%

Disclaimer

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Product Environmental Profile – Club™

This information applies to Club Grande Bariatric

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 4 (recycled content)	Post consumer + ½ pre-consumer
			289B-40 – (1%) + (5%) = 4%
	289B-30– (1%) + (4%) = 3%		
	Materials & Resources	MR 5 (regional materials)	Club is manufactured in High Point, NC. Projects < 500 miles from this location qualify.
	Indoor Environmental Quality	IEQ 4.5 (low-emitting materials)	Club is SCS Indoor Advantage™ Certified in North America.
LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	See MR 4 above.

Other Credit Contributions

Although not specific to this product, Coalesse has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Environmental Partnership Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.

Indoor Advantage™ and Indoor Advantage™ Gold are trademarks of Scientific Certification Systems. Cradle to Cradle Certified™ is a certification mark of MBDC.

Refer to www.usgbc.org for LEED Program details. Coalesse products may contribute in a number of areas. For additional information contact your Coalesse Sales Consultant.
