

**Environmental Attributes**

- Product Category — Seating: Multi-use/Guest
  
- Certifications — SCS Indoor Advantage™ Gold certified for indoor air quality in North America  
 — level® 1 certified to ANSI/BIFMA e3 standard
  
- LEED Contribution — Recycled content  
 — Regional materials  
 — Rapidly renewable materials  
 — Low-Emitting materials  
 — Innovation in design  
 — Sustainable purchasing
  
- Environmental Facts — 96% recyclable  
 — 21% recycled content

**Recycled Content Summary**

Total Weight (lbs) 40.8

Recycled Content (lbs)	8.8	Recycled Content	21%
Post Consumer (lbs)	4.9	Post Consumer	12%
Pre Consumer (lbs)	3.9	Pre Consumer	9%
Recyclable Content (lbs)	39.1	Recyclable Content	96%

Disclaimer

Numbers may vary based on model and options selected. Calculations based on style number 4331223 of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 4 (recycled content)	Post-consumer (12%) + ½ pre-consumer (9%) = 16.7%.
	Materials & Resources	MR 5 (regional materials)	Protégé® is assembled in Reynosa, MX. and Grand Rapids, MI Projects ≤ 500 miles from this location qualify.
	Materials & Resources	MR 6 (rapidly renewable materials)	Steelcase offers textile and surface material options that may contribute to this credit.
	Indoor Environmental Quality	IEQ 4.5 (low emitting materials)	Protégé® is SCS Indoor Advantage™ Gold certified for indoor air quality in North America.
	Innovation in Design	ID 1 (innovation in design – ergonomic strategy)	This product may contribute to the requirements of providing machine, equipment, tools, work aids (METWA's), furnishings and accessories that reduce the risk of work related musculoskeletal disorders.
LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	Post-consumer (12%) + ½ pre-consumer (9%) = 16.7%.
	Materials & Resources	MR 6 (rapidly renewable materials)	Steelcase offers textile and surface material options that may contribute to this credit.
	Indoor Environmental Quality	IEQ 4.5 (low emitting materials)	These standards do not currently include furniture in the appropriate EQ credit; however USGBC has allowed equivalent credit for furniture/furnishings when submitted as an Innovation in Design credit.
	Innovation in Design	ID 1 (innovation in design – ergonomic strategy)	This product may contribute to the requirements of providing machine, equipment, tools, work aids (METWA's), furnishings and accessories that reduce the risk of work related musculoskeletal disorders.
LEED-OPERATIONS & MAINTENANCE (formerly LEED-EB)	Materials & Resources	MR 2.2 (sustainable purchasing – durable goods)	

### Other Credit Contributions

Although not specific to this product, Steelcase has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Phase 2 Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.

Indoor Advantage™ and Indoor Advantage™ Gold are trademarks of Scientific Certification Systems.

Refer to [www.usgbc.org](http://www.usgbc.org) for LEED Program details. Steelcase products may contribute in a number of areas. For additional information contact your Steelcase dealer or the director of Global Environmental Performance (616.247.2996).
