

Product Environmental Profile – Topo™ Lounge

This information applies to Topo Lounge – PL2431

| | |
|---------------------|--|
| Product Category | — Seating : Lounge |
| Certifications | — SCS Indoor Advantage™ certified in North America |
| LEED Contribution | — Regional Materials — Low Emitting Materials |
| Environmental Facts | — 64% recyclable — 12% recycled content |

Recycled Content Summary

Total Weight (lbs) 32

| | | | |
|--------------------------|-------|--------------------|-----|
| Recycled Content (lbs) | 3.9 | Recycled Content | 12% |
| Post Consumer (lbs) | 2.9 | Post Consumer | 9% |
| Pre Consumer (lbs) | 1.1 | Pre Consumer | 3% |
| Recyclable Content (lbs) | 20.50 | Recyclable Content | 64% |

Disclaimer

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Product Environmental Profile – Topo™ Lounge

This information applies to Topo Lounge – PL2431

| Program | Category | Item | Contribution |
|---|------------------------------|----------------------------------|---|
| LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI) | Materials & Resources | MR 4 (recycled content) | Post-consumer (9%) + ½ pre-consumer (3%) = 11%. |
| | Materials & Resources | MR 5 (regional materials) | Topo Lounge is manufactured in Tjuana, Mexico. Projects < 500 miles from this location qualify. |
| | Indoor Environmental Quality | IEQ 4.5 (low-emitting materials) | Topo Lounge is SCS Indoor Advantage™ Certified in North America. |
| LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools) | Materials & Resources | MR 4 (recycled content) | Post-consumer (9%) + ½ pre-consumer (3%) = 11%. |

Other Credit Contributions

Although not specific to this product, Coalesse has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Coalesse Environmental Partnership Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.

Indoor Advantage™ and Indoor Advantage™ Gold are trademarks of Scientific Certification Systems. Cradle to Cradle Certified™ is a certification mark of MBDC.

Refer to www.usgbc.org for LEED Program details. Coalesse products may contribute in a number of areas. For additional information contact your Coalesse dealer.
