Mini SOTO Extended LED with magnetic mount

SOTO LED Freestanding and Rail Mounted Task Lights are simple and easy to use, and are designed to complement a variety of furniture applications.

SOTO Extended LED Freestanding and Rail Mounted Task Lights are 8" longer for greater reach for deeper worksurface applications.

Mini SOTO LED has all the intelligence and design integrity of its parent: the Freestanding or Rail Mounted SOTO LED Task Light. Ideal for those darkened areas beneath shelves and a flat panel monitor.

Mini SOTO Extended LED features a 12" arm for added flexibility to position light where it is most needed. Ideal to illuminate darkened areas beneath storage.

Obligatory and important basic feature information.
