

Appendix B of the SA – Deliverables

1. Standard Finishes

Suppliers are required to describe their standard finishes, fabric and edge detail pertaining to the products for each Product Category offered. Standard finishes must be included with the products at no extra cost to Canada. This information can be used to satisfy the Standard Finishes provision Annex A-3 of the SA.

Product Category 1	Standard Offering:		
Finishes for panels and upholstery fabrics, worksurface finishes, edge profile details for panel and freestanding work surfaces, panel trims, finishes for vertical supports.	Panels Fabric	Panels Wood Veneer	Panel Plastic
