## Smart Connections

USB Powerstrips provide convenient, fast-charging power and data connections. Using leading technology to monitor and quickly respond to power demands from devices, USB Powerstrips are an elegant and efficient power solution.

**2X**  
**CHARGE SPEED**

With 2.1 amps per port, the fastest charging speed available for tablets and smartphones, the powerstrips deliver twice the charging capability of comparable ports.

**Steelcase**  
WORKTOOLS

The sleek, monochromatic design integrates with any aesthetic. USB Powerstrips are offered in Rail and Clamp mounts; both reposition easily along the rail or worksurface to support a changing work environment.

**RAIL MOUNT**

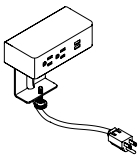

Attaches to a variety of rail systems.

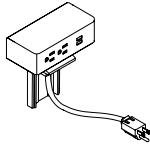

**CLAMP MOUNT**

Attaches to worksurfaces ranging from .5 to 1.5 inches thick.
