CAMPFIRE LOUNGE SYSTEM

Design more favorite spaces to create and collaborate with the Campfire Lounge System. With waterfall upholstery and deep-seat comfort, Campfire is an inviting focal point from all sides.

Sized for every space, Campfire Lounge System pieces can be configured to build an unlimited number of seating arrangements to suit any work environment. Group together straight and curved lounges to create collaboration zones, or arrange separately for solo work. Its flexible design can be easily reconfigured by adding pieces to meet the changing needs of any workspace.
