Task Lighting
overview

Steelcase
WORKTOOLS

DASH + DASH MINI WITH USB
The USB base has two ports, type C (60W max.) and type A (2.4A max.), enabling it to charge
two devices at a time, including a USB-C-compatible laptop, tablet or mobile phone.

Illuminate the Workplace

Advances in technology and increasing flexibility let people work where and how they
like. Whether working in a mobile environment or at a dedicated workspace, workers
need well-lit spaces in order to be productive and feel their best. Proper illumination
reduces eyestrain, headaches and fatigue, and helps workers focus on the task at hand.[1]

Task lighting thoughtfully placed throughout a work environment is essential, helping
workers focus with ease and encouraging productivity and wellbeing.

For Every Lighting Need

IM#: 15-0011136

DASH + DASH MINI

Featuring clean lines, fluid movement and a timeless aesthetic, each dash® LED Task Light has a high color rendering index of 94, meaning you'll see the true nature of colors.

IM#: 15-0011077

**SOTO LED +
SOTO EXTENDED LED LIGHTS**

With a sleek and simple design, SOTO® LED task lighting brings powerful yet unobtrusive illumination.

IM#: 14-0001546

RADIAL

IM#: 14-0001521

LINEAR

**LED RADIAL + LINEAR
DESKTOP LIGHTS**

Expressive yet adaptable, LED Radial and LED Linear Desktop lights combine flexible positioning with standard dimming and an optional occupancy sensor.

IM#: 12-0001586

**MINI SOTO LED +
MINI SOTO EXTENDED LED LIGHTS**

With the same minimal profile and flexibility as SOTO LED, mini SOTO LED brightens hard-to-reach and hard-to-light places.

LED PERSONAL TASK LIGHT

Offering the same clean, linear aesthetic as SOTO, the LED Personal Task Light provides focused, glare-free light while illuminating and defining personal workspace.

IM#: 17-0078204

LED SHELF LIGHT

LED Shelf Light draws from SOTO's minimalist design to linear shelving and overhead storage, and boasts a premium combination of high-quality illumination and LED technology.
IM#: 17-0078205

LED LINEAR SHELF LIGHT

LED Linear Shelf Light eliminates shadows and dark corners under shelf spaces, combining energy efficiency and affordability.

IM#: 14-0001542

SUSTAINABILITY

At its heart, sustainability at Steelcase is about people. It's about creating and supporting the economic, environmental and social conditions that allow people and communities to reach their full potential.

Research and insights direct our path. It's not only about creating goods, it's about creating good. It's not only about creating value, it's about living our values. It's not just about reducing our footprint, it's about expanding our reach. It's about creating lasting and meaningful change to enable the long-term wellbeing of current and future generations.

Innovative products and solutions result. In the development of our products, we work to consider each stage of the life cycle: from materials extraction, production, transport, use and reuse, until the end of its life. We demonstrate performance through third-party verified certifications and voluntary product declarations.

Steelcase's sustainability promises, actions, and results are communicated in an annual Corporate Sustainability Report.
