

Product Environmental Profile – Topo Mobile™

This information applies to Topo Mobile Lounge – PLM2431

- Product Category — Seating : Lounge
- Certifications — SCS Indoor Advantage™ certified in North America
- LEED Contribution — Regional Materials
— Low Emitting Materials
- Environmental Facts — 49% recyclable
— Trace% recycled content

Recycled Content Summary

Total Weight (lbs) 42

Recycled Content (lbs)	0.25	Recycled Content	Trace%
Post Consumer (lbs)	0.05	Post Consumer	Trace%
Pre Consumer (lbs)	0.20	Pre Consumer	Trace%
Recyclable Content (lbs)	20.50	Recyclable Content	49%

Disclaimer

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Product Environmental Profile – Tope Mobile™

This information applies to Tope Mobile Lounge – PLM2431

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 4 (recycled content)	Post-consumer (trace%) + ½ pre-consumer (trace%) = trace%.
	Materials & Resources	MR 5 (regional materials)	Tope Mobile Lounge is manufactured in Tjuana, Mexico. Projects < 500 miles from this location qualify.
	Indoor Environmental Quality	IEQ 4.5 (low-emitting materials)	Tope Mobile Lounge is SCS Indoor Advantage™ Certified in North America.
LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	Post-consumer (trace%) + ½ pre-consumer (trace%) = trace%.

Other Credit Contributions

Although not specific to this product, Coalesse has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Coalesse Environmental Partnership Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.

Indoor Advantage™ and Indoor Advantage™ Gold are trademarks of Scientific Certification Systems. Cradle to Cradle Certified™ is a certification mark of MBDC.

Refer to www.usgbc.org for LEED Program details. Coalesse products may contribute in a number of areas. For additional information contact your Coalesse dealer.
