

Cachet seating

# Steelcase

**There's more to Cachet than you might think.** Sure, it may look serious on the outside... but, with one sit we know you'll see Cachet® for the chair it really is. Underneath the sleek, chair-ish figure is a design that provides exceptional comfort and ergonomic support in the toughest of environments.

Statement of Line

Work Chair  
with arms

Multi-Use Stack Chair  
with arms

Multi-Use Stack Chair  
without arms

Stool  
with arms

## Features:

**The perfect balancing act.** The Cachet chair provides the perfect blend of comfort, ergonomics, durability and versatility. Its unique balanced-action suspension system automatically adjusts to provide you with proper support. Its composite edges and flexible slotted surfaces absorb and evenly distribute your body weight, providing instant comfort every time you sit.

**Pick a chair, any chair.** The Cachet chair is available in a work chair with casters, a stool with casters, and a 4-leg multi-use stack chair available with or without arms. The work chair and stool are height adjustable and are ideal for learning environments, laboratory environments, team spaces and short-term work spaces. The multi-use chairs are a perfect fit for learning environments, cafés and multi-purpose areas. Lightweight and easy to move, the multi-purpose chairs can be stacked five high on the floor or 20 high on a dolly.

**Environmentally responsible.** The Cachet chair is exceptionally durable and easy to clean, for a longer life. The glass-filled nylon frame and polypropylene construction allow for easy disassembly and the chair is up to 98% recyclable by weight. The chair also has Indoor Advantage™ certification for indoor air quality.
