

The Edge of Expression

a³™ CeramicSteel Sans

With colors that make an immediate impression, PolyVision offers new ways to personalize your favorite collaborative worktools while maintaining the sleek, modern a³ CeramicSteel Sans look you've come to love.

More Ways to Customize

By adding your choice of edge color, Sans gives your writing surface unexpected depth. Each accent color is applied to precision cut edges with a durable lacquer, and matches Steelcase finishes for a seamless integration into any project.

Standard Edge Colors*

*Actual colors may vary. Custom colors available upon request.
