Bivi Media Support System is available in all Steelcase Standard paints, Accent paints and PerfectMatch. Lux Coatings are not available. When ordering the kit as a whole, specify one finish for the entire kit. Contrasting finishes are available when ordered separately.

The Bivi collection

Inspired by startup culture and designed with teams in mind, Bivi brings insight-led simplicity, speed and agility to modular, reconfigurable benching applications. Bivi offers a variety of postures in one system, giving users choice and control in the office. With a surprising collection of accessories and a range of options and materials for personalization, Bivi's mix-and-match capabilities and authentic style make it the perfect solution for innovative, collaborative teams in businesses large and small.
