Recycled Content (lbs)	0	Recycled Content	0%
Post Consumer (lbs)	0	Post Consumer	0%
Pre Consumer (lbs)	0	Pre Consumer	0%
Recyclable Content (lbs)	0	Recyclable Content	0%

Disclaimer

Numbers may vary based on model and options selected. Calculations based on style number 47-T2617D of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Product Environmental Profile – Diekman

This information applies to Diekman Tables

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 5 (regional materials)	Diekman is assembled in Reynosa, Mexico. Projects ≤ 500 miles from this location qualify.

Other Credit Contributions

Although not specific to this product, Steelcase has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Phase 2 Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.
