

# 2019 Culling Announcement Table of Contents

In a continued effort to make Steelcase easier to do business with, you will be notified of our annual culling activities in the spring.

We realize some deletions require 12 months customer notification before last ship, while other lower volume items with minimal customer impact need 6 months notification.

The *2019 Culling Announcement* contains two last order entry dates and two production dates:

- Last order entry **October 20, 2019**  
Last production **December 5, 2019**

- Last order entry April 19, 2020  
Last production May 28, 2020

See the Table of Contents for products and surface materials impacted by each deletion date.

Contact your Steelcase sales representatives for customer impact reports so you can notify your customers in a timely manner.

For advanced notification, some surface materials have been identified for deletion with this last order entry date:

- October 18, 2020
- April 18, 2021
