

The background is a teal-colored surface with a marbled, organic pattern. It features various shades of teal, from light mint to deep forest green, creating a sense of depth and movement. Scattered throughout, particularly on the left side and bottom, are fine, shimmering particles of gold or bronze glitter, adding a touch of luxury and texture to the overall aesthetic.

## *The New Icons*

No two people are alike, and the same goes for our more than 30 international designers. A beautiful mix of upcoming designers and established names. This year, 5 new designers have been added to the team and are behind the new collection built on love, quality, craftsmanship and sustainability. No matter where in the world they come from, they have a passion for defining New Scandinavian Design.

*More than  
just design  
and quality*

We value design, quality and everything that comes in between. That means we pay close attention to how our designs comes to life. All the way from the source of our raw materials to the conditions for the skilled people on the factory floor. We ensure that our designs are created under environmentally and socially responsible conditions with a strong love for natural, authentic and sustainable materials. In fact, our new collection has been produced with a strong focus on natural, authentic and sustainable raw materials.

*Made to order.  
Literally.*

So, how about combining your favourite colour in your favourite sustainable and handcrafted material? Or maybe add an extra module or go for higher legs? Everything is possible and the possibilities on every single design is endless. We'll leave those decisions to you, but the quality and compliance, we'll take care of so that your design will last a lifetime, or more.

*It all starts  
with passion*

Passion for handpicking the best possible materials, using the best possible design techniques all to create the best possible products. That's why our designers are so much more than just designers – they are passionate craftsmen and women who have an acute sense of detail. They respect proud traditions, but are not afraid of mixing them with new thoughts and ideas. They have high quality standards, which means that every piece of furniture is built to last and comes with a 5-year warranty. Honest craft is an art form.

And it all starts with passion.
