Tables for spaces that don't stop moving.

For collaboration and training, the Groupwork® Flip-Top table features intuitive, safe and simple flipping, nesting, moving and stowing capabilities.

Set up, shift and store with ease.

In thriving organizations, employee growth is essential, which means learning and training are never over. Designed for this ongoing need, the Flip-Top table supports seamless shifting between presentations, training and discussions in formal and informal multipurpose spaces. The versatile design makes for quick and easy room reconfiguration, instantly creating a new dynamic.

ADJUSTABLE

One person can easily flip the table from horizontal to vertical. Casters make moving and stowing even easier.

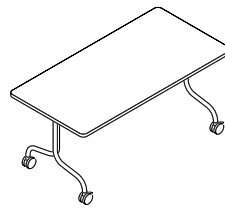

TIGHT FOOTPRINT

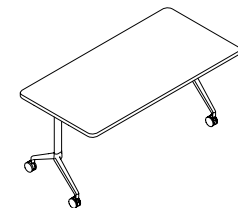

In the vertical position, best-in-class nesting density maximizes space in the multipurpose setting.
