Verge™
stool

Steelcase
HEALTH

Sit and Stay Connected

Clinicians' work is highly varied and dynamic, and the ability to connect easily with others is key. The Verge™ stool offers a convenient, comfortable and quick place to sit for eye-to-eye conversations and

care procedures in exam and treatment areas. As a desk- or counter-height seat, it supports comfort and collaboration in clinician workspaces.

IM#: 14-0001988 | SM: VERGE STOOL WITH CASTERS (PLATINUM); FOLIO CABINETS WITH SINK AND D PULLS (ACACIA); FOLIO LAMINATE WORKSURFACE (ARCTIC WHITE); POCKET ADJUSTABLE-HEIGHT WITH ARTICULATING ARM AND TWO-BIN UNIT (SEAGULL, PLATINUM SOLID DRAWERS); EMPATH RECLINER WITH DUAL FLIP-DOWN ARMS (STEELCASE STAND IN POWDER, STERLING DARK)

INSIGHT

Clinicians spend a lot of time on their feet. A convenient, easy-to-approach seat can support quick tasks and provide brief but important moments of respite.

Two-way learning is essential for effective healthcare. With eye-to-eye seating, clinicians can easily connect to patients and family members to ensure important information is shared, understood and factored into decisions about care.

Dynamic Seating

Available in multiple heights for sitting, perching and working at counter height. On casters or glides, Verge moves with clinicians while providing rest for weary feet.

Quick Respite

The Verge seat offers comfort and an easy transition between sitting and standing for clinicians on the go.

PLASTIC

■ Steel

Colors are representative and may vary slightly from actual material. For more information on these and other finishes and options, including all available paints, visit us online and view our *Specification Guide*.

FEATURES AND BENEFITS

- Urethane seat provides a comfortable sit or perch and supports easy transitions between sitting and standing
- Foot ring invites users to ease the pressure on their backs and legs
- Broad four-leg base (including casters or plastic glides that are 1 3/4" in diameter) provides greater stability
- Steel frame withstands rigors of 24/7 clinical spaces yet is lightweight for easy movement
- Available in a full range of paint finishes including accent paints and LUX coatings, Verge complements an array of settings and aesthetics

SUSTAINABILITY

At its heart, sustainability at Steelcase is about people. It's about creating and supporting the economic, environmental and social conditions that allow people and communities to reach their full potential.

Research and insights direct our path. It's not only about creating goods, it's about creating good. It's not only about creating value, it's about living our values. It's not just about reducing our footprint, it's about expanding our reach. It's about creating lasting and meaningful change to enable the long-term wellbeing of current and future generations.

Innovative products and solutions result. In the development of our products, we work to consider each stage of the life cycle: from materials extraction, production, transport, use and reuse, until the end of its life. We demonstrate performance through third-party verified certifications and voluntary product declarations.

Steelcase's sustainability promises, actions, and results are communicated in an annual Corporate Sustainability Report.
