Storage and Delays

(Open Market) In the event that the site is not accessible, or safe and adequate storage space is not available during installation, the furnishings will be stored until delivery or installation can be accomplished. Pricing for storage will be negotiated on a project-by-project basis. Invoices will be sent to the local government purchasing facility upon delivery of the furniture to a designated storage facility. Steelcase shall provide notice to the Government purchasing facility that the furnishings are available for inspection by the Government at the Storage facility. Upon this notice, the Government, or representative for the Government, must inspect and accept the furniture prior to payment of any invoice. The inspection and acceptance must be completed within reasonable time frame agreed upon by both parties. Payment will be made by the Government 30 days after acceptance of the furniture.

Elective Elements

Prices in this booklet for height, width, depth, or other modifications are for simple engineering derivatives of the product. Additional components, reconfigurations, complex modifications, etc. will result in additional charges. For simple storage modifications where the special is similar to multiple combined units and/or includes many of the components specific to a standard product, the upcharge may be $\frac{3}{4}$ of the list price of the most similar standard product. Consult specials quote representatives for assistance.
