Corrugated Curtain

Designed by Steelcase Studio

The Corrugated Curtain is a versatile, modest screen that can be installed in under a minute – making it the ideal interim solution in a constantly changing world. Create a corner boundary using a single unit or combine two units to create a u-shaped boundary that fits nearly any worksurface. Five perforated sections can be removed at the base of the screen to accommodate a variety of power and monitor arm needs.

PRODUCT DETAILS

White finish.

Double-wall corrugated cardboard.

Versatile design means one style number can be used for right-hand and left-hand structure.

One unit creates an L-shaped divider. Two screens combined create a U-shape.

Simple assembly uses two-sided tape that is provided. *Note: Test tape on a small portion of the worksurface before fully applying.*

Printing on screens available as a custom option.

Dimensions

Height: 26" (24" above the worksurface)

Width: 29" on the side, 36" on the back (65" overall)

ORDERING INFORMATION

Typical lead time of 1-2 weeks, depending on availability and capacity.

List price for pack of 150 units – \$6,000 USD (equivalent to \$40 list price/screen). Not sold in single units.

Product warranted to contain no manufacturing or shipping defects.
