Eligibility Requirements

- Grades 6 – 12, colleges and universities
- Public or private educational institutions with designated classroom focused on student learning
- Located in the United States, U.S. Territories, Puerto Rico, Canada or Mexico
- Maximum of 30 students

Next Steps

1. Confirm your eligibility
2. Review all grant resources
3. Choose desired classroom style
4. Complete and submit your proposal
5. Share the grant with eligible colleagues

After You Receive the Grant

- Update the classroom, if necessary
- Participate in Professional Learning and Transformation Services
- Distribute both pre- and post- Learning Environment Evaluation tools
- Propose and implement research plan
- Submit an annual report each year during the two-year grant cycle
- Create a dissemination plan for sharing findings and insights
