STEELCASE NEXT STUDENT DESIGN CONTEST

The Steelcase NEXT Student Design Contest (“Contest”) begins September 8, 2020 12:01 a.m. Eastern Daylight Time (“EDT”) and ends on February 26, 2021 at 11:59 p.m. Eastern Standard Time (“EST”) (the “Contest Period”). Contest is sponsored by Steelcase Inc., 901—44th Street SE, Grand Rapids, MI 49508 (“Sponsor”).

Eligibility. Contest is open to undergraduate junior- and senior-level students, five-year master’s programs where there is no bachelor’s degree offered or Master’s programs where the students have no bachelor’s degree in design and/or experience, who are legal U.S. or Canada residents, physically residing in the United States, DC and Canada, who are the age of majority in their home state as of the start date of the Contest (“Contestant”). This Contest is void outside of the United States and Canada, in Puerto Rico, the U.S. Virgin Islands, U.S. Military installations in foreign countries, all other U.S. territories and possessions, and wherever else restricted or prohibited by law. Employees, shareholders, officers, directors, agents, representatives of Sponsor, the legal, promotion and advertising agencies of Sponsor, and their immediate family members and those living in their household, and each person or entity connected with the production or administration of the Contest, and each parent company, affiliate, subsidiary, agent and representative of any aforementioned entity, are not eligible to enter.

How to Enter.

1. Students must work on this project individually.
2. This competition will be a faculty-sponsored part of program curriculum in the fall term, 2020 or an independent study project.
3. All submissions will be submitted electronically to this address: design4next@gmail.com
4. When submitting an entry, it should be able to open or launch as a complete presentation for the judges, including the concept statement. This should be one PDF. It should not be individual files for the judges to navigate through. No videos, Prezi’s or PowerPoint formats will be permitted.
   a. PLEASE NOTE: Judges will be viewing on a computer screen. It is easier for judges to navigate multiple pages vs. creating a board that is on one or two pages and requiring the judge to zoom in to navigate content. That is not a good user experience.
5. All student participants must be currently registered as juniors or seniors in their design program, or in a 5-year master’s program where there is no bachelor’s degree offered or a master’s program where the students have no bachelor’s degree in design or other previous design experience.
6. Each submission (2 per program**) must be emailed separately to design4next@gmail.com (please note: this is a different email address than has been used during the competition (this is going to a gmail account and is a third party email address to ensure identity of program is not revealed)

**Please note 2 per program = 2 per individually taught studio/class. Example: one studio with two professors may submit a total of two entries. Two different studios with different class schedules and/or different instructors/students can submit two entries for each studio.
7. Naming of entries shall be “SCHOOL NAME – STUDENT LAST NAME, STUDENT FIRST NAME”.pdf. Your student’s name or name of school should NOT be listed within the presentation itself - only in the name of the file.

8. Submissions must come FROM THE PROFESSOR no later than 5pm PST on Wednesday, December 9th

   a. Submissions received from students will not be accepted to ensure these are the approved submittals from each program.

   b. If you are a professor that is sponsoring students who are participating through self-study (not part of your class curriculum) – the submission still must come from YOU as the sponsoring faculty.

9. The body of the email needs to contain the student’s best contact email address during the judging period (December 14, 2020 – January 15, 2021).

10. BEFORE SUBMITTING YOUR 2 SUBMISSIONS, please verify your students are available to travel on Feb. 22-24, 2021 for the final judging/presentations at our headquarters in Grand Rapids if they are chosen as one of our five semifinalists. All travel arrangements and expenses will be made and covered by Steelcase (only flights originating and returning domestically in the U.S.); however, the student must be present to be considered. Failure to attend in person will disqualify your student.

11. The submission is to be the equivalent of a design development presentation to your client, NEXT.

12. The student’s goal, through your submission, is to convince NEXT that your design will provide them the work environment they need to meet their goals.

13. Students will receive information about the client, general program requirements, client’s mission and interests via the competition website: NEXT Website

   From this, students will know the type of space the client desires, what excites them and what their goals and needs are.

14. Students must use products (furniture, technology and architectural solutions) available from the variety of all Steelcase Brands in our portfolio (including any Partner Brands) for the project. Students are allowed to have up to 20% of the project “custom” as applicable for feature areas. However, custom applications should remain economically feasible as most clients do not budget for a completely customized project.

15. Questions must be submitted by professors only via email at: design4next@steelcase.com Response times may vary; however, our goal will be to respond within 48 hours. The Q+A period begins on September 14, 2020 and the deadline for submitting questions is October 5, 2020.

16. All submissions are due at 5pm PST on December 9, 2020. Late submissions will not be considered.
17. All submissions need to be self-explanatory for the judges to evaluate. Only the semi-finalists will have the opportunity to present their project to the panel. Judge’s comments will only be provided to the semi-finalists and honorable mention recipients.

18. Files should be in PDF format and be sized for easy review by our judges on a computer screen *(FILE SIZES SHOULDN’T EXCEED 20MB)*. It is a better experience for the judges to review as a series of slides (in landscape format) versus submitting as one or two page “virtual boards” that must be zoomed in on for review.

19. **Submission Guidelines.** In addition to the other terms and conditions contained in these Official Rules, your submission must include the following (but not limited to) and be in the form of:

   a. Design concept statement (max 250 words). This should clearly articulate your inspiration for the design, how it is reflected in your solution and how it meets the client’s requirements.

   b. Inspiration images that impacted your final solution. Images shall be compiled on a labeled, digital board.

   c. Clear explanation and visuals of how your research informed your Evidence Based Design solution

   f. Reflected ceiling plans are *(required)* for the Open Office/Individual Work Area, WorkCafe, and Inspiration Zone. Include a legend with ceiling heights identified. Scale: 1/8“ = 1'-0" (0.3175cm = 0.3048m).

   j. Student developed graphic logo for NEXT will be incorporated holistically reflecting their brand and culture in the space as part of the submission

**LIMIT one entry per natural person.** Sponsor is not responsible for late, lost, delayed, damaged, misdirected, incomplete, illegible, unintelligible, corrupted, or postage-due entries. Sponsor reserves the right to disqualify false entries or entries suspected of being false. Only complete, valid submissions will be accepted. Sponsor will not verify receipt
of entries. All entries submitted become the sole property of Sponsor and will not be acknowledged or returned.

Submissions may not contain any illegal, offensive or obscene subject matter and any such Submission shall be disqualified without notification to Contestant. Contestants may not use third party trademarks or trade dress in their Submission. Contestants may not copy or otherwise plagiarize the Submission from any source, nor may the Submissions include third party copyrighted material. Sponsor is not responsible for legal protection or clearance of Submissions in any form. Contestant agrees to indemnify Sponsor against any and all claims from any third party for any use by Sponsor of Submission. If, in the sole discretion of Sponsor, your Submission constitutes copyright infringement, trademark infringement or otherwise violates the rights of any third party, the Submission will be disqualified and Contestant will have no recourse to be reconsidered. Sponsor may request evidence that Submissions are an original work of authorship within the meaning of U.S. Copyright law at any time during or after the Contest Period.

Judging Criteria. Judging will be completed in two (2) rounds. All Submissions submitted during the Contest Period will be prescreened by submitting professors to insure Submissions have correctly met the Submission Guidelines and meet with Sponsor’s general standards and practices prior to any judging (“Qualified Submissions”).
