

2020 Culling Announcement

Table of Contents

In a continued effort to make Steelcase easier to do business with, you will be notified of our annual culling activities in the spring.

We realize some deletions require 12 months customer notification before last ship, while other lower volume items with minimal customer impact need 6 months notification.

The *2020 Culling Announcement* contains two last order entry dates and two production dates:

- Last order entry October 18, 2020
Last production December 3, 2020
- Last order entry April 18, 2021
Last production May 27, 2021

See the Table of Contents for products and surface materials impacted by each deletion date.

Contact your Steelcase sales representatives for customer impact reports so you can notify your customers in a timely manner.

For advanced notification, some products and surface materials have been identified for deletion with these last order entry dates:

- October 17, 2021
- April 17, 2022
- October 16, 2022
