

Steelcase Powerstrip Intro

Now convenient desktop power is within everyone's reach. Steelcase Powerstrip Intro keeps work and desktop necessities going strong all day. Connect and charge phones, tablets, laptops, lighting and other accessories so you're ready for any meeting, any moment. This practical performer coordinates perfectly with other products from Steelcase.

STATEMENT OF LINE

Two power outlets

Dual USB ports and one power outlet

Optional OCP plug

Clamp mount

FEATURES + ADJUSTABILITY

Simply smart

Steelcase Powerstrip Intro is available in white and merle – classic, neutral finishes that work well with others. It's part of a family of Intro accessories, including CF Series Intro Monitor Arm, LED Intro Task Light and SOTO Intro Bundle, that make it easy to complete your Steelcase workspace.

Power and USB convenience

Choose from two convenient UL-listed configurations: double power outlets, or a single power outlet paired with a dual USB outlet and optional overcurrent protection. Setup is simple with a coordinating clamp mount.
