

WYND Essential

The most powerful purifier, that goes where you go

WYND creates a bubble of clean air around you by removing germs, virus carrying respiratory droplets, dust, allergens, smoke, and pollution from your personal space. Set it down, turn it on and surround yourself with clean air.

FEATURED IN

KEY FEATURES

Portable - weighs less than a pound, the size of a water bottle, and has an all-day battery life

Powerful - purifies 8 liters of air per second, enough to surround you in a 3-foot bubble of clean air wherever you go

Medical-grade - the silver-infused filter kills germs

Effective - removes 99.9% of particles from the air, including virus-carrying respiratory droplets, germs, pollen, smoke, pet dander, dust, smog, and industrial pollution

3-FOOT BUBBLE OF CLEAN AIR, WHEREVER YOU GO
