Sidekick™

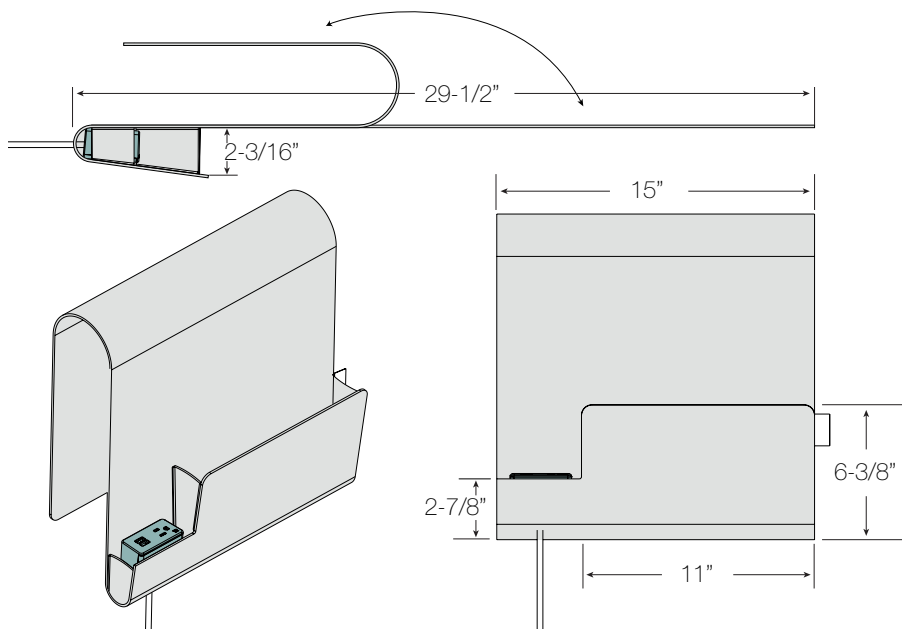

OVERVIEW

Even when you're kicking back, your phone—or tablet or laptop—is still hard at work...and could use a powerful pal. Ideal for relaxed spaces, Sidekick is thoughtfully designed with convenient Miki integrated power, as well as a roomy pocket to store items while charging. The clever saddle design fits neatly over armrests and is constructed from touch-friendly, felted materials that invite you to get cozy. In a rich array of colors with coordinating faceplate and braided cord options. Energize your downtime the smart way, with Sidekick.
