Cugino

Konstantin Grcic

Cugino is an expertly constructed wooden object that is ‘not a stool’ and ‘not a low table’, but could in fact be both – Cugino will find its use over time. Konstantin Grcic, who has a history in wood work, used the opportunity to experiment with the interplay of solidity and void to find a form that is open for interpretation, not given a function from the outset.

- The quick ship style numbers, ending in QS, are the only style numbers that will trigger the stocked Bolia and Mattiazzi product to be ordered

Pricing

All pricing is listed in U.S. dollars and valid as of April 2021.

For Canadian pricing, use the Canadian pricing factor:

www.steelcase.com/CADpricing.

Calculate in the following order to avoid rounding errors:

- Multiply the base price and each option by the Canadian factor
- Round each to the nearest dollar
- Add base and options for total list price
