FEATURES

A flexible back and comfort edge enable micro-movements and let students rest their arm on the top of the chair.

Nondirectional seat pan and open frame encourage movement, allowing students to rotate and follow the flow of learning.

Chairs can stack up to 6 high and stools 2 high, making storage and rearranging easy.

An intuitive bag hook keeps bags off the floor, yet within reach of students.

A choice of glides or casters and a vibrant palette of finishes allow for customization to fit any aesthetic.
