

Steelcase
HEALTH

west elm

Steelcase Health has teamed up with West Elm to create engaging healthcare environments that work better for patients and their families. Available Fall 2022.

Designed for work. Optimized for healthcare.

The West Elm Health Collection by Steelcase Health offers a curated selection of workplace furniture thoughtfully modified to create inspiring spaces that fit the ever-changing needs of healthcare environments.

West Elm Health Sterling

Retro-inspired with a nod to mid-century design, West Elm Health Sterling chairs are crafted for the workplace but modified for clinical environments—with a generous sit for extended comfort.

Guest	Features
Counter Height Stool	Crumb sweep
Bar Height Stool	Tested to BIFMA weight requirements
Conference	Healthcare appropriate fabric options
	Decreased recline

Guest chair is available with wood or metal legs. Conference chairs are available with a 4 or 5 star metal base.

West Elm Health Slope

With gentle curves in both the seat and back, the Slope Collection's iconic design is all about comfort.

Guest	Features
Bariatric Guest	Tested to BIFMA weight requirements
Stacking	Healthcare appropriate fabric options
Counter Height Stool	Decreased recline
Bar Height Stool	
Conference	

West Elm Health Mesa

Relaxed and refined with a modern form and tapered legs, the West Elm Health Mesa Sectional adds style and sophistication to any healthcare space.

Chaise, Right Hand	Features
Chaise, Left Hand	Crumb sweep
Corner	Tested to BIFMA weight requirements
Ottoman	Healthcare appropriate fabric options
Armless Sofa	

West Elm Work Lucas

Clean, modern lines give the West Elm Work Lucas a streamlined look, while a wide seat and reclined pitch make it a comfortable spot to sit for long periods of time.

Features
Healthcare appropriate fabric options
Lucas is available with wire base or 4 star metal base.
