

Steelcase Series[®] 1

Essential Ergonomics

Steelcase Series[®] 1 gives you essential ergonomics at a great value, with our signature quality. This exceptional entry point into high-performance seating is characterized by space efficiency, weight-activated controls and a supportive seat.

Steelcase[®]

Get to know your Steelcase Series 1

Steelcase Series[®] 1 led the way as our first chair available with CarbonNeutral[®] product certification. Every purchase supports trusted projects that slow climate change and deliver social impact. It is shipped ready to assemble compared to fully assembled which means more products can be shipped on fewer trucks, helping reduce carbon emissions in transport by 50%. Like all our high performance seating, Steelcase Series 1 was designed to help reduce our carbon footprint, designed for circularity, and uses materials that were chosen responsibly.
